

Standard 3

Students will demonstrate the ability to access valid information, products, and services to enhance health.

Rationale: Access to valid health information and health-promoting products and services is critical in the prevention, early detection, and treatment of health problems. This standard focuses on how to identify and access valid health resources and to reject unproven sources. Application of the skills of analysis, comparison, and evaluation of health resources empowers students to achieve health literacy.

Performance Indicators*

Pre-K-Grade 2

- 3.2.1 Identify trusted adults and professionals who can help promote health.
- 3.2.2 Identify ways to locate school and community health helpers.

Grades 3-5
